

Congregational Giving

INTRODUCTION

...this is a wonderful place which matters to so many of us.

The financial position of the Cathedral is currently in need of extra support if we are to continue to provide the excellence of worship, music, and the warm welcome we try to offer in the name of Christ. Here at Guildford Cathedral, the congregation's direct financial giving already contributes noticeably to the significant running costs of this beautiful building and to the daily life of this community. But in any church congregation, giving is something which needs to be managed carefully, and to be kept under regular review. Please help us to strengthen its life through increasing, or pledging to increase, your financial giving as part of your Christian discipleship and your love for Guildford Cathedral.

Thank you so much for considering a renewal of your giving, or for beginning to make a financial contribution to Guildford Cathedral. This document outlines the main ways to make that contribution.

The Venerable Stuart Beake**

WAYS TO GIVE

Parish Giving Scheme

The Parish Giving Scheme (PGS) is a secure and simple way of giving to the Cathedral on a regular monthly basis (or quarterly/annually if you prefer). The scheme enables the Cathedral to plan ahead, allowing us to know how much money is pledged in any given year. It is also administered externally, which lessens the administrative burden on our staff. If you are not already giving to the Cathedral, this is the best way to begin to do so.

PGS works by making a Direct Debit from your bank account on the 1st of the month, which is credited to the Cathedral's bank account by the 10th of the month. If eligible, you can opt to add Gift Aid, which PGS claims on our behalf, passing it back to us and benefitting our cashflow.

A unique feature of the scheme is the option for you, as a giver, to commit in principle to increase your gift annually in line with inflation. While this is a voluntary decision, it is one that could potentially have a huge impact on the life and future of the Cathedral. You can change this commitment at any time, either by using your personal log-in on the PGS website, or simply by contacting the PGS team. For those who have accepted the inflation link, the annual increase happens on the anniversary of the first donation.

To set up a regular gift with PGS, either

- Visit www.parishgiving.org.uk
- Call the very helpful telephone service on 0333 002 1271
(Monday-Friday, 9am until 5pm)

You will need to provide your bank details, and use Guildford Cathedral's unique code, which is 170617001

WAYS TO GIVE

Contributing in other ways

Please be in touch with our Development Office, either Nicola Pratt on 01483 547884, or Karen Taylor on 01483 5467863, or email headofdevelopment@guildford-cathedral.org to learn more about how your donation, of any amount, can make a real difference to the Cathedral.

Ways of giving include a regular or one-off gift aimed at a particular project, in the name of a loved one, or to a specific area of Cathedral life (music, education, fabric, outreach). Legacies are another way to offer your support, and the Development Office staff can show you how to make these arrangements.

Don't forget the simplest way to make a one-off gift is via our website www.guildford-cathedral.org, which has a "Donate" button on the front page.

On the pledge form enclosed, to help us with planning, please indicate which form of giving you are likely to choose, and by when it will take effect.

Thank you once again for all your support - it makes a tremendous difference to the work of this wonderful place.
